About Me

Dedicated and detail-oriented Web Developer. Hard working and optimistic person. Also have experience in working in team during hackathon organized by Government under the campaign Azadi ka Amrut Mahotsav. I have skills in Front end development and also have basic knowledge of backend development languages.

Programming languages known by me are Php, Javascript.

I also have knowledge of Hypertext Markup Language and Cascading style sheet including its framework like Bootstrap and Tailwind CSS.

Basic idea of GitHub and even how to make useful prompts to Chatgpt.

Professional Experience

I am fresher who is eagerly searching for opportunity for being able to make organization helpful through my knowledge and even hard work.

Achievements

2022. Participation Certificate in Azadi ka Amrut Mahotsav Hackathon
